

TO WHOM IT MAY CONCERN

This is to certify that Mr. Muhammad Yahya Amir (CNIC: 61101-8202559-9) successfully completed a six-week internship at Quantum Universal from July 1, 2025, to August 15, 2025. During this period, he worked on aerospace design and manufacturing projects, gaining practical experience in:

- CAD/CAM for Aerospace Design – 3D modeling, structural simulation, and design optimization.
- Additive Manufacturing – Prototyping aerospace components using advanced 3D printing.
- Applied Aerospace Projects – Research on lightweight structures and performance improvement.

Mr. Muhammad Yahya Amir displayed strong technical aptitude, adaptability, and initiative, contributing effectively to project objectives. His exposure to industry-standard tools and aerospace engineering practices has prepared him for advanced academic and professional endeavors.

We commend his contributions and wish him success in his future pursuits.

Sincerely,

Fazeelat

Manager HR – Quantum Universal SMC Pvt. Ltd.
